Sir:

AstraZeneca AB, a corporation created and existing under the laws of Sweden, and having a business address at S-151 85 Södertälje, Sweden, hereby through its undersigned agent, who is empowered to act on behalf of AstraZeneca AB, represents that AstraZeneca AB is the owner of the entire right, title and interest of the above-identified patent application Serial No. 10/347,046, by Assignment recorded on November 3, 1999 at Reel 012364, Frame 0456, and a Change of Name recorded on March 22, 2001 at Reel 01160, Frame 0081.

The inventions claimed in Application Serial No. 10/347,046 and US 6,576,245 were commonly owned by AstraZeneca AB at the time the later invention was made.

AstraZeneca AB hereby disclaims, except as provided below, the terminal portion of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and 173 of US 6,576,245 as presently shortened by any terminal disclaimer. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
